We have two options for getting the Awards Package to you. Please select which option would work best in your particular scenario:

☐ We will be selecting our recipient in advance of the presentation and hence would like a Complete Award and Membership Welcome Package, including the recipient's name, mailed to us for presentation. The Recipient's information is listed below.

☐ We will *not* be selecting our recipient in advance and hence would like a Blank Award Package mailed to us to be completed on-site for presentation. We will update Craft Ontario with the recipient's information as listed below after the ceremony so a Membership Welcome Package can be mailed to them directly.
